APPLICABLE REQUIREMENTS

CAN/CSA-C22.2 No. 18.5-02 - Positioning Devices

MARKINGS

The CSA Mark, the company's identification or alternate file number 250704 or tradename/trademark, type designation, model designation, complete electrical rating appear ink-printed, permanent or moulded on/in the body of each device and any "Cautions" or other information as specified in the Certification Report.

Product markings shall be in accordance with the related standards. In addition, it shall be the responsibility of the manufacturer to provide additional markings on the product to comply with the requirements of the local regulatory authorities. For example, in Canada, any caution and warning markings must be provided in French and English.
